Beginning of the year

The beginning of the year always brings about a series of new changes, exciting activities, and several memorable opportunities. While returning students were reunited with classmates, new students were given a taste of what this year is all about. During the first week at Manhattan Christian College, students participated in the Worship Night, Faculty/Staff vs. Students softball game, NSO groups, bowling night at the K-State Union, Tradition's Night, Ice Cream Social with President Ingram, and of course enrollment. Throughout this week and the weeks to come, the new and returning students of MCC were able to make new memories and friends as they united for spiritual growth and community that was inspired by this year's theme: Alive!

During the first all dorm activity, several Johnson Hall men compete for the gold medal in the piggy back relay game.

Chris Maddock and Kris Morrison attempt to please the crowd by bowling in the same lane.

New suite mates, Caitlin Bliss, Kirsten Palmer, and Carey Lee enjoy visiting together at the Activities Fair.

Barn Party

It's that time of year again. The weather starts to cool down, and the leaves start changing colors. Autumn has arrived, as well as the Halloween season. It's time for jumping in piles of leaves and, of course, dressing up in all assortment of costumes. For students at Manhattan Christian College, that means it's time to get their groove on and dance the night away at the annual Barn Party. This year's theme was, "Monster Mash," and was held at Scenic Valley Inn. People came dressed as celebrities, video game characters, and many people dressed up as other people from MCC. The "Most Creative" was Anya Maltseva. "Best Look-a-like Female" was Amanda Harrison. "Best Look-a-like Male" was T.J. Avery. "Best Dressed Group" was the Jackson Five: Tyler Stroud, Michelle Brooks, Codi Burrow, Tess Caywood, and Brittany Baisley. "Best Couple" was Mike and Jeri Sullivant.

Winter Banquet

This year's Winter Banquet was a "Tacky Christmas Sweater" party. We all have that special sweater in the back of our closet that we've been dying to wear...well this was the night to wear it! Campus Program Council (CPC) worked hard to make the banquet an enjoyable time for everyone who attended. This year the event was held near Wamego at Blackjack Hills Banquet Facility...the best little party place in Kansas. The party-goers enjoyed a dinner and warm apple dessert catered by Blackjack Hills. There was an intense dance competition that was won by Chris Maddock. The night was full of music, dancing, laughter, and lots of hot chocolate.

Skip Day

This year's skip day included several classic events as well as a few new activities for the campus to enjoy. The morning started off with a pancake feed in the Campus Center and ended with a bonfire complete with s'mores, fellowship, and advice from members of the senior class. The rest of the day provided other opportunities for fun such as the annual powderpuff football game, volleyball and basketball games, four square in the air, a barbeque on campus, and the showing of the movie "Hook" in Jolliffe Hall. Skip Day also provided opportunities for the entire campus to relax and escape the stress of school and classes. Regardless of which activities each student chose to take part in, it is certain that Skip Day created lasting memories to look back on and refreshed faculty and students as they looked to take on the rest of the year.

Spring Banquet

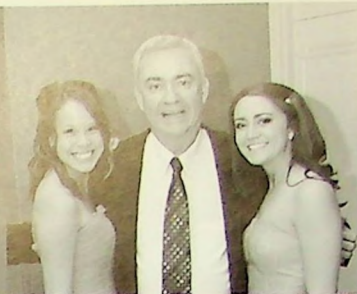

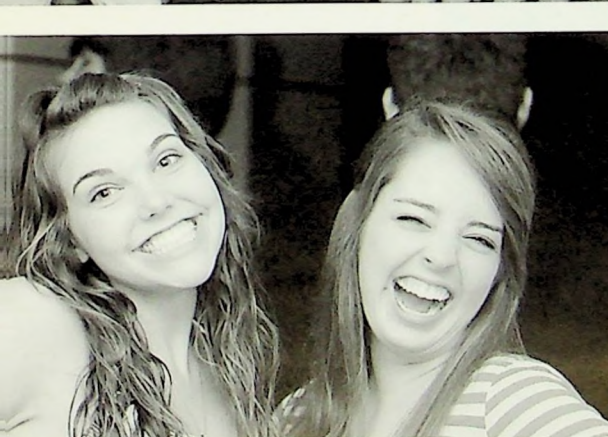

It is springtime at Manhattan Christian College again and that means it's time for Spring Banquet. This year's Spring Banquet was held at the Holiday Inn. Faculty, staff, and students dressed up and enjoyed an evening of dinner, music, dancing, videos, and lots of fun. Again, Campus Program Council asked students to submit videos to be judged by the Admissions Office. The winners were recognized at the banquet. The top five winners were: 1. Steven Franco, Reece Childers, and Ben Jackson. 2. Brandon Roth's Small Group. 3. Matt Varner. 4. Third Floor South - Johnson Hall. 5. Matt Varner.

Kerrusso Dayz Community

Every fall at Manhattan Christian College students, faculty, and staff have the opportunity to participate in a special service project called Kerusso Dayz: Community. The Student Development Office helps organize the service projects and volunteer teams to go into our surrounding neighborhood and proclaim God's love. The places we served at this year were: Flinthills Bread Basket, Hope Ranch, Bethlehem Revisited, Big Brothers/Big Sisters, Boys and Girls Club of Manhattan, Senior Center, Manhattan Emergency Shelter, Life Choice Ministries, Habitat for Humanity, Flint Hills Community Clinic, Shepherd's Crossing, and the CASA Project.

team of six people traveled to Oklahoma City to help an organization called The Refuge. The team went into this trip expecting nothing and in the end was so glad they had no expectations and it only made the trip that much better. The team lived, was in community with The Refuge staff, and it was a life-changing experience for each team member. The purpose and goal of The Refuge is to simply be neighbors to the community and show them the light through forming relationships. The Refuge staff have been at this for a long time and it takes time, however much progress has been shown. God is working in great ways in the city. The team did various projects such as helping around The Refuge and spent a lot of their time restoring houses that are located in roughest part of OKC.

nother Kerusso Dayz Team went to Lakeview Christian Camp in Stockton, Kansas. The team consisted of students Brooke Carlson and Emily Scott, and staff member Ben Grogg. What they wanted to accomplish during their nine days was to help the director and MCC alum, Joe Zizz, better the camp facilities and prepare for the summer camp season. There was a big list of things to do and they wanted to help complete some specific projects. There were many construction upgrades throughout the camp including new electrical outlets, a chalkboard wall, and painting. This summer campers and families will see the progress from last year that will help make a better experience for everyone that attends camp at Lakeview.

Student Ministries

At Manhattan Christian College there are multiple opportunities to be involved in ministry to fulfill the Christian Service requirement. The Nursing Home ministry visits the local nursing homes weekly. While there they sing and visit with the residents. This personal interaction cheers up the elderly and helps the students to make connections. Everyone enjoys the visits and the relationships made across the generations. The Drama Troupe practices one night each week and travels once a month to churches throughout the area to present the Gospel using creative arts.

Jesse McAlexander spends some quality time with one of the residents at the nursing home.

Student Life Clubs

Student Life offers many different ways for students to get plugged into the life of the college. Student Council (STUCO) is the leadership and facilitators of the student body. Not only are they in charge of managing budgets and helping improve student and faculty relationships, but they put on many events, which support school unity. Ambassadors is a program that sends teams of students to churches in the midwest to promote MCC. The Student Spiritual Life Committee (SSLC) hosts various prayer meetings, worship nights, and prayer walks to encourage spiritual growth. The CRU is a student led branch of the Admissions Department that communicates with potential incoming students about how they can get enrolled and plugged into Manhattan Christian College.

Activities

M

anhattan Christian College has many student activities throughout the year that students can get involved in to meet new people. These activities are so much fun and most students get really pumped up to participate. Just a few of these activities are: bonfires, Break Aways, World Series Party, the Superbowl Party, and the Final Four Party. These events focus on strengthening relationships among students, faculty, and staff. No matter if it is late at night or mid-day, the MCC community loves to come together and fellowship with each other, no matter what the occasion!

Chapel

Every Thursday morning, the faculty, staff and student body meet in Jolliffe Hall for a time of celebration and reflection of God. Chapel begins with a few praise songs led by the worship band. A different speaker each week presents us with a powerful message from God's word that encourages and strengthens our walk with God. Chapel is an important time each week that brings students into a more intimate relationship with God as well as provides an environment which unites the entire college.

Adam Kaup and Joe Rubio lead worship for chapel.

Kenoyer Hall

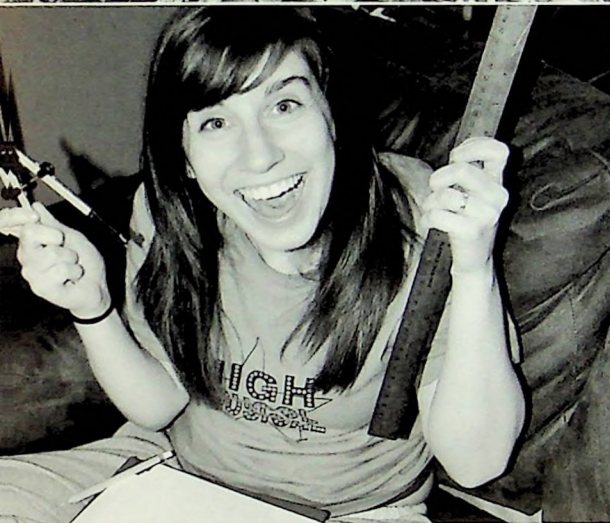

Every year living in Kenoyer Hall provides numerous memories of dorm life shenanigans, spiritual growth, friendships, late nights, and community for the women of Manhattan Christian College. Through times of water balloon volleyball, cramming for finals, being campused, decorating for Christmas, weekly suite meetings, inspiring dorm devos, pranking each other, floor functions, praying together, getting late keys, and even finding baby chicks in the lobby, students were sure to create plenty of fond memories to look back on for years to come. These experiences created community and new relationships that impact the MCC campus and student lives!

As part of dorm devos Lindsey Flickinger and Tiffany Cleven put on a skit to represent their suite.

Freshmen of Suite 302 Elizabeth Smith, Kayla Bryant, Ashley Gillihan, and Veronica Kerr finally get to show off their late keys.

Johnson Hall

Living in Johnson Hall provides unique opportunities for personal growth as well as many friendships that will last a lifetime. Residence hall life is crazy at times but that is what makes the community in Johnson Hall more interesting. Many scheduled and unscheduled events take place including: job checks, watching baseball, and the occasional prank. The craziness of life in the residence hall help the men living there to help each other grow into maturity and persevere through academic studies. Though the time for living in Johnson Hall is short, everyone who enters these walls will remember the bonds they shared and the memories made.

Academics

M

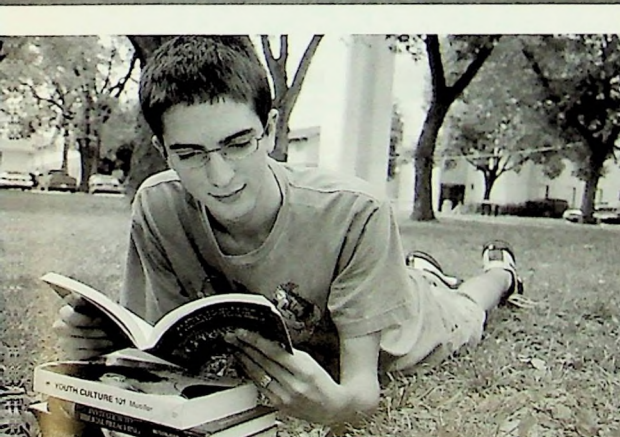

anhattan Christian College is an institution dedicated to higher learning and greater challenges to further equip its students for facing life in the real world. The seemingly over-qualified faculty and staff that facilitates this learning have many years of experience in their field of expertise. The students don't just learn from their textbooks or daily assignments, but from personal and inspirational stories that challenge the students to grow and push themselves. The students are held to a higher standard than the typical college student. The academics of Manhattan Christian College are very practical and are meant to be shared and taught to the world.

Volleyball

This year the Lady Crusader volleyball team had five returning players and four new freshmen. Coach Lauren Sanders continues to build a strong, competitive program that is always reaching for excellence, on and off the court. The girls played hard this season and finished with a final record of 22-9. Returning players showed incredible leadership skills and were able to connect well with the new players. Seniors, Aly Woodbury and Halie Brown, had successful seasons and finished their volleyball careers with strength and dignity. "This year the volleyball team was really close and we felt like we were a family. I wish I could come back next year because I love the girls on the team," remarks senior Halie Brown.

The lady Crusaders had a rocky start to their season, but they kept their hearts and mind set on Philippians 4:13, "I can do all things through Christ who gives me strength." With that being their focus the ladies of the MCC Crusader Soccer team ended their season with a bang by winning back-to-back National Championships at the NCAA Division II National Tournament. The Lady Cru were led by captains Katie Wright, Bre Brandenburg, and Brigid O'Toole. With the leadership of these veteran players and the strong will of the rest of the team, they were a team ready to clinch the title again. Cross Country

Perseverance, courage, strength, and sweat. MCC's first ever cross country team showed that and more. They ran up hills that seemed more like mountains and ran down hills at flying speeds at Konza Prairie. They ran in the hottest of summer days and ran even when they shivered from the winter cold. Each one ran the distance with heart, with determination, and the will to be the very best they could be. Though some days it felt like torture and though their bodies became weary, their minds were strong and they pushed through the pain and were victorious. They set new records for the next cross country year and set the standards for new runners to come. Each cross country athlete displayed amazing sportmanship and built bonds that can never be broken. They became teammates by chance, friends by choice.

Graduation

Graduation is a time of joyfully celebration for students, families, faculty and staff. The graduates from the class of 2011 can stand proud as they reflect back on their years at MCC. They have remained steadfast in the pursuit of God's intricate plan for their lives and have reached the next turning point in His plan. We honor them for their hard work and perseverance through the years of countless tests and endless papers. We applaud them for their success in completing each task in front of them. May God continue to work in them and through them to further the Kingdom.

Graduates, Jeri Sullivan and Ashley Wheeler say their final farewell after their four years of study.

“Now if we died with Christ, we believe that we will also live with him. For we know that since Christ was raised from the dead, he cannot die again; death no longer has mastery over him. The death he died, he died to sin once for all; but the life he lives, he lives to God.

In the same way, count yourselves dead to sin but alive to God in Christ Jesus. Therefore do not let sin reign in your mortal body so that you obey its evil desires. Do not offer the parts of your body to sin, as instruments of wickedness, but rather offer yourselves to God, as those who have been brought from death to life; and offer the parts of your body to him as instruments of righteousness.”

Romans 6:8–13
